1.0 ICAR AIEEA (UG)-2022 AND ONLINE COUNSELING

The Indian Council of Agricultural Research (ICAR)'s AIEEA (UG)-2022 examination was conducted by National Testing Agency (NTA) on 13 and 14 September, 2022 for admission to Bachelor degree programmes in different disciplines of Agriculture and Allied Sciences running in the accredited universities under the ICAR-AU System.

It was decided in the 234th meeting of the Governing Body of ICAR held on 25.06.2015 that admissions through the entrance examination conducted by the ICAR shall not be allowed for non-accredited colleges from the Academic Session 2016-17. The online counselling for admission to different disciplines of Agriculture and Allied Sciences in accredited Agricultural Universities was also introduced by the ICAR w.e.f. the Academic Session 2017-18.

For the Academic Session 2022-23, admissions to 20% seats (100% seats at ICAR-NDRI, Karnal, IARI New Delhi, RLBCAU, Jhansi and Dr. RPCAU, Pusa) in Bachelor's degree programmes will be granted in 61 Agricultural Universities (including few non-accredited programs/courses at RLBCAU Jhansi, Dr. RPCAU, Pusa and IARI New Delhi.) under the ICAR-AU system. The list of accredited AUs for admission is given at **Annexure-II**. Before choice filling, the candidates must ascertain the fee structure, availability of hostel, date of registration and other requirements including the eligibility by contacting the concerned university.

In the AIEEA counselling for admissions to the Academic Session 2022-23, certain new features such as online document verification system and centralized payment of Seat Acceptance Fee (part of admission fee) have been introduced. Thus, AIEEA-2022 online counselling enormously increases the overall convenience of candidates as **they are not required to physically report to the admitting university during any round of counselling**.

Based on scores generated by NTA for the candidates appeared in the ICAR's AIEEA (UG)-2022 conducted on 13 and 14 September, 2022, common merit-based ranks have been generated by ICAR for the subject groups **PCM, PCB, PCA and ABC** as notified in the Information Bulletin. Candidates declared eligible for counselling will be considered for allocation of course and AU as per ICAR's Online Counselling procedure.

There is no direct nomination through ICAR in any Bachelor degree programme without appearing in the examination conducted by NTA for ICAR and participation in online counselling conducted by ICAR.

Since the complete process is online, the candidates are advised to read this brochure carefully, regularly check their e-mail and SMS and visit the AIEEA Counselling portal (www.icarexam.net) regularly for updates and other details regarding the online counselling process. **No excuse for missing any information will be entertained later.**

1. After the first round of allotment, some candidates may be allotted their 2nd/3rd/4th or even lower choice. On the other hand, some seats allotted to other candidates may remain vacant due to non-reporting or the reasons of in-eligibility, etc. Provided the seat(s) have become vacant, these reporting candidates may request for sliding to a better choice in the subsequent round of allotment. However, the candidate will be considered for sliding ONLY to one of the better/higher choices that were given by him/her at the time of online choice filling.
2. **The candidate has to exercise the choice of 'Upgradation' before deposition of Seat Acceptance Fee.**
3. The status of all the candidates who have opted for "Upgradation", will be available through University Login with complete chain of developments (In/Out).
4. If the candidate does not get a better choice, then his/her initially allotted seat will be retained by him/her. If the candidate gets a better choice, then his/her initially allotted seat will stand forfeited and the candidate will have to accept the "Upgraded" seat. In no case, such "Upgraded" candidate will be allowed to retain the initially allotted seat. THEREFORE, THE CANDIDATE MUST BE VERY CAREFUL IN EXERCISING THE REQUEST FOR "UPGRADATION".
5. In reporting module of the University login, all "Upgraded" candidates will be marked as "Admitted" by default by the system. The University will not be able to change their status as Not Reported/Not Eligible. However, if such "upgraded" candidates, do not report on the specified date of registration/attending classes in the upgraded university, then their admission will not be considered against ICAR quota seats and they will forfeit any claim for Fellowship/Scholarship.
6. After upgradation, the candidate should contact the concerned university and verify the date of registration and additional document requirements, if any, for the allotted course, well in advance, before physically reporting to the finally allotted university at the time of registration or attending classes or as per the "upgraded" university requirements . If the "Upgraded" University/ Course has some additional requirements of documents, then the onus shall lie on the candidate to fulfil all such requirements. At the time of beginning of Classes at the university, documents of all such candidates will be checked and in the event of lapses being found, the university may deny admission to such candidates.
7. Since there will be only four rounds of counselling (and mop-up round, if needed), request for "Upgradation" will be permissible only during the first, second and third rounds. Subsequent round of allotments (2nd, 3rd and 4th) will be conducted for candidates who did not get any seat in the earlier rounds. However, their choices will remain the same as filled in the beginning.

   Subsequent rounds of online counselling will be conducted immediately after online reporting by the university is complete at the end of a particular round of counselling. If a candidate is "Upgraded" during the second/third allotment and he/she still has scope of getting a better choice, then he/she can again

request for "Upgradation". The Upgradation requests shall be tried first to give the candidates their better choice. Thereafter, the same process for subsequent rounds of counselling will be followed until completion of counselling.

H.   Physical Reporting at the finally allotted university

1. The candidate at the time of registration/attending the classes in the finally allotted university or as per requirement of the admitting university shall produce all the original documents (as uploaded by him/her on the portal) for physical verification by the university.

3. If any candidate fails to deposit balance admission fee and original certificates and/or additional documents, if required by the university, the provisional admission of the candidate will be cancelled and his/her claim for admission will stand forfeited.

I.   Other conditions related to admission process

1. Candidate, not fulfilling the eligibility condition(s) at the time of online document verification by the allotted university, will forfeit claim for admission and will not be considered for seat allotment. Candidature in such cases shall be rejected summarily. No correspondence shall be entertained thereafter in this regard.
2. In case a candidate has been admitted in a subject/programme at a university, any request for change/transfer of subject/university after the completion of counselling, will not be entertained by ICAR. The candidate, once admitted in a degree programme as per his/her merit-rank and availability of seat at the time of counselling, will not stake claim for change of subject/college/University later on after his/her admission is over.
3. All admitted candidates will be required to submit original certificates/documents and mark sheets to the Registrar of the allotted University, otherwise admission may not be granted. All original certificates/documents including reservation category certificates [SC, ST, OBC (NCL), EWS, PwBD] submitted by the candidates may be sent by the allotted University to their respective Boards/commission and Universities for verification. In case, a candidate wishes to withdraw the original certificates after the admission, he/she shall directly request the allotted University for the same if the university rules so permit. Any temporary or permanent withdrawal of original certificates will be governed as per the concerned University rules. ICAR has no objection if certificates are returned to the candidate after verification at the time of Physical reporting by the candidate to the university.

J.   Refund Rules

On cancellation/withdrawal of admissions up to end of 4th round (5PM of specific date) of counselling, the entire fee collected from a student shall be refunded in full after deduction of Rs.1,000/- (Rs. One Thousand only) as processing fee. For any request for refund, thereafter, the refund policy of the admitting university shall be applicable and no correspondence will be entertained by the Council in this regard. The refund process by the Council shall commence after the completion of admission process at the universities.

The ICAR quota seats after the final/mop-up round of online counselling, if remain vacant, shall automatically stand released to the Agricultural University concerned for filling up at their level and as per the procedure in vogue at the respective university. **These seats will no more be called as ICAR seats and treated as university seats**. Once the counselling/admission process is over, filling up of any subsequent vacancies created due to any reasons, shall not be the responsibility of ICAR. No correspondence in this regard will be entertained either from the universities or from any candidate.
