

Memorandum of Understanding with
TRACTORS AND FARM EQUIPMENT LIMITED

for setting up an Adaptive Research and Agriculture Extension Centre & Product Training
Centre in Telangana

Mr.T.R.Kesavan, Group President, TAFE, Chennai and
Dr.V.Praveen Rao, Hon'ble Vice-Chancellor, PJTSAU exchanging of MoU

This MOU is signed on 04.10.2019 with Tractors And Farm Equipment Limited, Chennai with the following objectives:

- Education of farmers on the integrated mechanization model of TAFE that combines and uses tractor(s) and equipment in farming and animal husbandry by inter alia conducting demonstrations for farmers using relevant machinery and the creation of a product-training center to educate farmers on the operation and servicing of tractors, equipment and machinery.
- Provide a platform for farmers to interact with agricultural experts and experts on a wide range of concepts such as scientific farm practices, soil and water conservation, organic farming etc.
