

Cooperative Agreement Between Progressive Environmental and Agricultural Technologies (PEAT), International Crops Research Institute for the Semi-Arid Tropics (ICRISAT), Hyderabad and PJTSAU, Hyd

**Dr. V. Praveen Rao, Vice Chancellor, PJTSAU and
Dr. David Bergvinson, Director General, ICRISAT**

- To encourage, and use their reasonable endeavors to effect, within the limitations of the Institutions' resources, policies and procedures, visits from one Institution to the other by members of the academic, research and other staff for the purpose of participating in teaching, training and research for development programs and other agreed activities.
- To jointly explore external funding opportunities through project proposal development, and thus enable both Parties to expand and extend their collaborative activities.
- To provide, qualified students hosted by one institution access to research opportunities and /or degree programs at the other institution, within the limitations of the Institutions' resources, policies and procedures.
- To encourage the exchange of scientific materials, publications and information. The actual exchange of materials will be done on a purely voluntary basis and subject to required institutional Material Transfer Agreements.
