

## **Memorandum of Understanding**

BETWEEN

**PROFESSORJAYASHANKAR TELANGANA STATE AGRICULTURAL  
UNIVERSITY (PJ TSAU), HYDERABAD**

**AND**

**KAVERI SEED COMPANY LIMITED (KAVERI SEEDS), SECUNDERABAD**

**19.07.2022 to 18.07.2027(Five Years)**

**Registrar PJ TSAU, Dr S Sudheer Kumar and Mr. Mithun Chand, Executive Director, Kaveri Seeds, Secunderabad on 19<sup>th</sup> July 2022 in the presence of Vice Chancellor, University Officers and the representative of Kaveri Seeds**

PJ TSAU and KAVERI SEEDS desire to establish collaborative programmes to advance scientific knowledge, capacity building, research projects subject to approvals from the regulatory agencies to enable the introduction of high-performing crops in Indian markets.

Through the MoU both parties wish to collaborate on :

- Capacity building and student exchange
- Standardization of technology for safe handling and storage of sale returns of Vegetable and Field Crops
- Collaborative research to address the various issues associated with seed quality testing, processing, and packing if any.
- Publication of program results in scientific journals and meeting and potential patent filing is envisioned. The parties will agree on procedures for publication and ensuring the filing of patents prior to any disclosure.
